Jeremy Pinson,
Plaintiff,

DEPUTY _____

v.

Case No. 15-CV-256-RC-KFG

John Fox, et al.

Defendants

Objections to Report and Recommendation

Comes now the Plaintiff and objects to the Report (Doc. 4) on the grounds the Complaint satisfies the "imminent danger" threshold of 28 U.S.C. 1915(g) and both the Fifth Circuit and Western District of Louisiana have permitted identical allegations of imminent danger to proceed. See: No. 14-cv-450 (W.D.La.); No. 15-30537 (5th Cir.) thus this Courts ruling that continuing sexual abuse and threats of rape do not satisfy the "imminent danger" threshold should be overruled.
